Skills

- Functional programming
- Object oriented programming

Programming languages

- C++
- C
- Python
- C#
- Java

Languages

- Polish
- English
- Spanish

Internship availability

01.07.2024–01.10.2024

Patryk Flama

I started my journey before high school, taking extra courses to learn basic algorithmics and solving more advanced math problems. In high school, I took additional classes focused on competitive programming problem-solving while introducing more algorithms. It inspired me to focus my path on IT and go to the University of Wrocław, which allowed me to combine it with Math.

Education

High School Diploma

XIV High School in Wrocław, 2019–2022

Bachelor of Science

Wrocław Institute of Computer Science and Mathematics,
Oct 2022 – Present (expected completion 2025)

Courses

Practical aspects of software engineering (NOKIA)

Univeristy of Wrocław, February 2023 - June 2023

Training for Computer Science Olympiad

LO XIV, January 2020 - May 2022

Strenghts

Hard-working and persistent, performs well under pressure, motivated and optimistic, eager to work in a group

Hobbies

- Snowboarding, Biking
- Programming, Math
- Playing guitar
- Tinkering
- Cooking

I agree to the processing of personal data provided in this document for realising the recruitment process pursuant to the Personal Data Protection Act of 10 May 2018 (Journal of Laws 2018, item 1000) and in agreement with Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation).
